AMENDMENT IN RESPONSE TO FIRST OFFICE ACTION

Sir:

In response to the Office Action dated 30 May 2001, regarding which a two-month extension of time to respond is hereby petitioned, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend the claims as rewritten below:

Sub C1
1. (Amended) A method for storing and informing at least one property of a wireless communication device (MS1-MS4) to a mobile communication network (PLMN), in which information for identifying said wireless communication device (MS1-MS4) in the mobile communication network (PLMN) is stored in the wireless communication device and information relating to at least one property of said wireless communication device (MS1-MS4) is stored in said wireless communication device (MS1-MS4), and transmitted from said wireless communication device (MS1-MS4) to the mobile communication network (PLMN), wherein an information element for storing said information for identifying said wireless communication device and said information relating to at least one property of the wireless communication device (MS1-MS4) is formed in the wireless communication device (MS1-MS4).
